Dear Parent or Guardian:

As you know, your child wishes to schedule the English elective *Critical Viewing* for the 2025-2026 school year. There are some approved R-rated films that may be shown in this class. These films have been approved according to District Policy. If your child's teacher intends to incorporate any R-rated films into his or her class, those films will be included on the teacher's syllabus. Your child may take the class only with parent permission. The course is available only to 11th and 12th grade students. This signed permission slip must be returned to the Counseling Office when your son or daughter schedules *Critical Viewing*.

Please fill in the information below, then sign this permission slip. Your son or daughter must return this form to Counseling in order to schedule the course.

I give approval for my child, _____, to elect
